Luggage transportation services are offered exclusively for trips between the three (3) hotels participating in the Centre-du-Quebec Regional Cycling Route.

Transportation of luggage costs \$70 per trip between hotels (\$70 x 3 transports). The costs can be divided according to the number of users (see the table above). This covers the luggage of 6- 7 people with one piece of luggage per person (± 20 kilos max./pers.). Additional charges for excess luggage.

Rates are valid for the 2019 cycling season and may change without notice. The daily luggage transportation fees are payable from each hotel and will be added to your hosting bill.
